EDUCATION

Connected Minds Program Postdoctoral Visitor | York University 2024 - 2026
Dept. of Theatre and Performance, AMPD School.

PhD in Human and Social Sciences, with Meritorious Distinction | Universidad Nacional de Colombia 2018 - 2023

- Thesis: "Futures in the Present Continuous".
- Thesis summary: My dissertation presents 'Spectiva,' a transdisciplinary method merging Art-Based Action Research with Social Foresight, emphasizing community building, solidarity, and social values, aiming to translate global visions of Future Studies into local actions. This approach also focuses on future decolonization and collective time, breaking free from presentism. As part of this research methodology, I produced 'PAN' a series of documentary essays that explore the future in Colombia from 1647 to 2023.
